STRIKE ONE, YOU'RE OUT

One Power Surge Can Cost You Thousands

SurgeShield® helps protect your major motor-driven appliances from power surges. It's a surge protector installed directly at your electric meter. Installation is fast and easy, and in most cases you don't even need to be home.

A \$5,000 limited manufacturer's warranty is included that covers the repair or fair-market value replacement of each major motor-driven appliance per year, per occurrence. Appliances include:

- » A/C
- » Washer & dryer
- » Oven/range
- » Refrigerator
- » Dishwasher
- » And more!

\$9.95 plus tax, per month (10% off retail price) added to your FPL bill and no installation fee.

Get year-round protection against lightning-caused power surges with SurgeShield®.

Program Terms: New customer promotional price for SurgeShield® includes no installation fee (a \$75 value), two months free and nearly 10% off the monthly retail price; guaranteed for 24 months. Available in FPL's service territory. Only for homeowners residing in single-family, duplex, condo, and townhomes. FPL Energy Services, Inc. (FPLES) is an unregulated subsidiary of Florida Power & Light Company (FPL). SurgeShield® is offered and administered by FPLES and not FPL. SurgeShield will be installed in the next few weeks and I will not be called before installation. My power will be turned off for 10-15 minutes during the installation. I understand that the corresponding terms and conditions, coverages and exclusions, including warranty and disclaimers, will be sent to me before billing begins and I can cancel at any time and this fee will be discontinued. FPLES will also provide me with a full refund if no claim has been filed and if I provide FPLES a written request for refund within 7 days of the effective date. By providing my email address, I agree to receive email promotional materials about other product offerings from FPLES and its affiliates.
